

NPC BOP Steamers Visit TPPS

In Week 2 of Term 4, Colin Burke, Jason Hona & John Pareanga from the BOP Steamers visited the school. The players talked to our rugby teams of the importance of being an A.C.H.I.E.V.E.R in and out of the classroom. Following this, the students had the opportunity for a game of touch and a few autographs with their heroes. Thanks to a school parent, Phil Gower from Waste Management who arranged the afternoon as one of the Steamers Match Day Sponsors.
